YEARBOOK 2009: This year's 2008-2009 is shaping up fabulously. Middle school students are steadily working on class pages, fun pages, and your advertisements to bring you a wonderful, full color hardbound yearbook, showcasing everything we are so proud of here at Providence. We are working with a new company that is helping us keep the cost per yearbook down while giving us more options, and we are hoping that this will prove to be a fruitful partnership that brings us better quality and more style in our yearbooks. However, even with the lower production cost, our current budget does not allow for the yearbooks to be covered as it has in the past. Yearbooks will be distributed this year, partially subsidized with cost being \$10 per book. Because this must also be paid before final delivery can occur, yearbooks will also have to be preordered. If you are interested in this year's yearbook, please detach the form sent home and return it to the school office or your homeroom teacher with payment. Checks can be made out to the school with "yearbook & student's name" on the memo line, and must be returned no later than March 13th, 2009.
