## Special notes for this week:

- I hope you all had a wonderful Thanksgiving! I can't believe it is December already... We will have a busy month full of fun activities. ☺
- Our field trip to The Paint Escape is next Tuesday, December 9. I need permission slips and money by tomorrow. Thanks!
- The Holiday Fair is taking place this week. We previewed the items today and our turn to shop will be on Wednesday. Your child may bring in money to buy things on Wednesday.
- The all school Christmas program is Thursday, Dec. 18, in the evening. The early childhood children may wear Christmas clothes.

## What we're learning this week:

- Language Arts - We will review the vowel sounds and learn the letter "q" this week. We also begin official reading groups this week! Very exciting! ☺
- Math - This week we will estimate collections of items, count by tens, identify dimes, and identify and create ABB patterns.
- Bible - We will continue the story of the Israelites this week.
